

## The Left Wing Forms

After the 3d Co. dresses upon the line, the 4th Co. halts three paces behind the line. When the 3d Co. fronts, the 2d Co. supports arms. In the 4th Co., its 2d Sgt joins the line of markers while the Capt moves to the left of the 2d Co.

The 6th Co. halts and dresses in the same manner as the 4th Co. After the entire battalion has dressed upon the line and the adjutant commands, Guides - POSTS, the left most 2d Sgt will move to the left flank in the front rank of his company instead of the rank of file closers.
